

PJ Project

Is an initiative of **GODS CONNECTION MINISTRIES** directed by Rev. Ileana Vargas. The Project aims at giving a new pajama to children with limited resources.

On this occasion the Fajardo Campus joins the School of Optometry Religious Life Office and have contacted a foster home “**CASA GUATEMALA**” with 250 children.

Ages range from newborn to 12 years old. Bring a PJ before November 20 and make a little heart happy.
