ONLINE DATABASES

The Center for Access to Information (CAI) offers students and faculty members of the Inter American University of Puerto Rico online access to different databases

I. Ovid®

About

Provides access to a wide set of e-books and full-text journals related to Ophthalmology, Optometry, and many other medical subjects.

How to Access OVID

1. Go to:

www.optonet.inter.edu/cai/online-resources

Online Resources

[Home](#) / [Center for Access to Information \(Library\)](#) / [Online Resources](#)

Databases

1. OVID

- OVID (by IP Address): when using the School's internet network.
- OVID (by User ID): for remote access, you must request a user name and password to a librarian.

2. Click the OVID link:

- ♦ While on campus, select 'OVID by IP Address'.
- ♦ While off campus, select 'OVID by User ID' and request to a librarian a USER & PASSWORD.

3. Select resources to research:

Select Resource(s) to search:

- All Resources
 - Interamericana Books
 - Interamericana Full-Text Journals
- Ovid Emcare 1995 to 2022 Week 36

Search

- ♦ **Basic search:** Allows search by word or phrase. Star using only one or two words.
- ♦ **Advanced search:** Allows search by keyword, author, title, and many other filters.
